travelling public is directed to the advertisement of this fine and popular house.

#### The Fourth of July.

This great and glorious day was finely celebrated by the scholars and teachers of the Leavenworth Sabbath School. The patriotic little boys and girls (God bless them!) where determined not to allow the "Glorious Fourth"-the Anniversary of our National Independence-to pass by without a creditable demonstration of patriotism. They formed in procession at Laramle, 500 miles and back, twice ten o'clock A. M., and marched through our principal streets, bearing their banner with the inscription of "Our Country's Hope," and singing in a very felicitous strain a quite neat little song, which we are told was composed by Mr. J. I. Moore -a lawyer of this city-for the occasion.

The procession passed our office, and we must say that its appearance was highly creditable to the Sabbath School, as well as to our city. The little girls were neatly and tastefully dressed in whiteemblamatic of purity-with a bright display of riboons and wreaths. On reaching the grove which had been selected for the occasion, addresses were delivered by the Rev. J. C. McAfee and J. I. Moore, after which a sumptuous collation, furnished by the scholars of the school, was discussed by all present. Then followed the singing of songs, and the offering of sentiments, among which we find the following, which we think was very apropos to the occa-

mercial compeer of Cincinnati, St. Louis, Chicago and Buffalo."

The entire proceedings on the occasion were characterized by the greatest pleasure and hilarity, and the little " Masters" and "Misses" dispersed, having drank "to their hearts content," of the golden cup of mirth.

We see by the Court Records, that the No. 15008 From Oregon, in Holt county, Missouri, to Brownville, 50 miles and two counterfeiters, White of Buffalo, and Lawrence of Epping, N. H., have been placed under ten thousand dollar bonds, each, for making and selling, imitations of Ayer's Cherry Pectoral. This is right. If the law should protect men from imposition at all, it should certainly protect them from being imposed upon by a worthless counterfeit of such a medicine as Ayer's Cherry Pectoral. We can only complain that the punishment is not half enough. The villain, who would for paltry gain, deliberately trifle with the health of his fellow man, by taking from their lips, the cup of hope, when they are sinking, and substituting a falsehood—an utter delusion, should be punished as severely as he who counterfeits the coin of his country .- Green Co. Banner, Carrollton, Ill.

### EDGAR HOUSE. ST. JOSEPH, MISSOURI. WM. H. EDGAR, Proprietor.

THIS well known house is again open for the reception of the resident and travelling public. The House is in the centre of the business part of the city. The table will always be spread with the best the market affords, and every attention paid to guests to make their stay agree-able. july 7, 1855. 43-5w

## TECUMSEH FERRY. KANSAS RIVER!

Nearest and best route from Fort Leavenworth to Council Grove.

THIS new Ferry is now open and ready to cross teams, passengers and freight at any hour. The Ferry Boat is a large one, entirely new, and built for this Ferry. The landing on both sides are excellent at all stages of water, and for swimming cattle across, it is the best and safest place on the river.
Emigrants and traders passing on the route

between Fort Leavenworth and Council Grove, will find this the shortest and easiest road,—Tecumseh being on a direct air line from Fort

Leavenworth to Council Grove.

It is nine miles from the Ferry to the intersection of the Great Military Road on the North side of the River. Teams leave the Military Road at Rock Creek crossing, and thence cross the old Parkville road near the old Parkville crossing of Mude Creek. Distance from Rock Creek crossing to Muddy Creek crossing, seven miles; thence to the Ferry two miles. Tecumseh is on the main thoroughfare from Westport to California. Total distance from Leavenworth to Tecumseh 50 miles; thence to Council Grove

Good grazing for cattle and horses near either landing place, free of expense. T. N. STINSON.
